Spiritual Life Coach,  
Intuitive Counselor  
& Vibrational Healer

***Inspiring Uplifting,  
and Transforming Your Life!***

In 1981 I had an NDE (Near Death Experience) and came back with a passion for helping people make sense of their lives and be able to create the ones they really want. I'm here to show everyone that we are powerful beings and we are loved unconditionally. I was given the gift of "Clearsight" and I am able to see everyone in their Divine essence including their gifts, abilities and their blocks. For over 25 years my intuitive counseling and vibrational healing practice has helped people all over the world to experience a more profound, and amazing life. I offer hope, relief and inspiration to uplift your spirit and transform your life.
