

WING & AETHER

I am Patty Davis.

I am a psychic, medium, intuitive, teacher, healer, Aromatherapist, and Heart Math coach.

Each of us is surrounded by a spiritual support system and bathed in an endless flow of unconditional love, however we live hectic, busy lives that can make it difficult to tap into that source.

I am here to help you bridge the gap and utilize the magic available to you. I offer casual, comfortable and upbeat psychic readings that are held in a sacred space of respect, understanding and strict confidentiality.

I collect information on your behalf by communicating with source and your spiritual guide system. From here spirit leads us where we need to go offering encouragement, tools, insight and healing modalities.

I inherited my psychic abilities from my father and began connecting with the supernatural at a young age. After working with a teacher for over 11 years, I began my own practice in Northern California where I presently live with my husband, the ocean and the redwood forest.
