The mission is simple:  
**Get the body's energy centers aligned and in balance.**

What are some of the ways we can fall out of balance to begin with? Eating an unhealthy diet, stress and anxiety, feeling continually overworked, relationships with toxic people and even being inside old buildings can all be contributing factors.

**Back in Balance offers different therapy techniques so our customers can pick and choose what works best for them.**

Debi has worked in the Holistic Healing world for over 7 years. She has been trained as an energy worker by some of the most highly regarded teachers in their fields, namely, **Nikki Scully**, Shamanic Healer and the author of "Alchemical Healing". **Rev. Normandi Ellis**, who translated the Egyptian Book of the Dead into "Awakening Osiris," a profound spiritual text. **Salina Rain**, our local astrologist and Reiki Master and **Hibiscus Moon** who offers a crystal certification program which bridges the gap between science and spirituality.

Debi has taken everything she has learned from these teachers and her own life journey to create her healing business.

**Offerings: Reiki Therapy, Crystal Therapy, Past Life Regression, & Shamanic Healing for humans and Reiki and Crystal Therapy for Pets too!**
