Facilitating the Birth of Our Emerging Core Essence

*Another world is not only possible she is
on her way. On a quiet day, if I listen very
carefully, I can hear Her breathing.*

-Arundhati Roy

**our essential reality is already here
it has a home within all living things
it is woven through the visible
and the invisible.
it is a heart song,
a field of love
dancing with patterns of light.
it is perceivable though our receptivity
it is brought alive though our actions
each moment
is a living
breathing
sentient
star-lit,
sun-drenched
galactic ocean
of opportunity
to remember that
you are already home**

In communion with the heartbeat of the unified field, that permeates all life, I surrender and open to its guidance.

*I serve the shimmering body of our oneness
Creating intentional space for wholeness.*

*Inviting the fragmented parts home
to the remembrance that they are Source,
and tending to the sacred flame of the
living, breathing field of our unified love.*

In my healing sessions I am present with, and give voice to, the wholeness of you. I perceive each of us as a complete living universal ecosystem held within the sentient body of a greater living galactic ecosystem. My awareness seeks to assist the heartbeat of Source, which resides within, into a more harmonious relationship with the conscious field of our oneness.

In this duality Earth school, we tend to perceive people, things and events as separate from ourselves and we create a limited, conditioned reality from that perspective. The essence within lives in the true knowing of our connection with all living things. Gently, step-by-step, moment-by-moment, we heal the illusion of duality and resurrect the living body of our wholeness, which dances in the stream of the current moment.

These days she can also be found out about the town with her husband David in their Seaside Weavers fair booth sharing their handwoven doormats and baskets made from reclaimed crab rope.

A founding member of Isis, she is so deeply satisfied to have found the absolutely perfect steward in Hannah Sauer to pass the torch of Wholistic Heartbeat and the Annual Healing Arts Guide onto.
